Test Data: user name :admin Password: 1234567

Test

Condition:

Test Case 3: Verify login with enter Blank username and valid password.

Test Data: User Name = Password=1234

The image displays two screenshots of a login interface, likely for a web application, showing error messages for invalid password and invalid username.

**Top Screenshot (Invalid Password):**

- The page has a dark background.
- On the left, there is a white card with the text "Invalid Password" in a small font, followed by "Sign in" in a large, bold font.
- Below "Sign in" is the text "or use your account" in a small font.
- There are two input fields: "Email" (with a light blue border) and "Password" (with a light blue border and a small eye icon to its right).
- The "Email" field contains the text "1234".
- Below the input fields is a black button with the text "SIGN IN" in white.
- On the right, there is a white card with the text "Hello, Friend!" in a large, bold font.
- Below "Hello, Friend!" is the text "Enter your personal details and start journey with us" in a small font.
- Below the text is a white button with the text "SIGN UP" in black.

**Bottom Screenshot (Invalid Username):**

- The page has a dark background.
- On the left, there is a white card with the text "Invalid Username" in a small font, followed by "Sign in" in a large, bold font.
- Below "Sign in" is the text "or use your account" in a small font.
- There are two input fields: "Email" (with a light blue border) and "Password" (with a light blue border and a small eye icon to its right).
- The "Email" field contains the text "1234".
- Below the input fields is a black button with the text "SIGN IN" in white.
- On the right, there is a white card with the text "Hello, Friend!" in a large, bold font.
- Below "Hello, Friend!" is the text "Enter your personal details and start journey with us" in a small font.
- Below the text is a white button with the text "SIGN UP" in black.

Test

Condition:

Test Case 4: Verify admin logout.
